**Testimonial letter for Dutch's Roofing Company:**

We have been living in Dunedin for over eight years. When we first moved here, we knew that we needed a new roof on the main part of the house. We contacted Dutch's Roofing Company and hired them to do the job. We could not have been more pleased. They were professional, neat, and timely on the replacement of our roof.

Several years later we noticed a leak on the flat roof of our home that was not replaced. We contacted Dutch's and they came almost immediately. The roof was patched but it became obvious that we needed to replace the flat roof. Again we hired Dutch's to do the work. Again we were very pleased.

We have recommended Dutch's to several people who have also been pleased. Mr. Donald Duchess is a very professional man who truly cares about the quality of his work. We highly recommend this company to anyone who is considering a roofing job.

Sincerely,
