

Three years ago I had a full flat top roof installed by Donald Blackness

I did not know of him, he represented himself very well when we spoke. He and his crew were prompt, neat and efficient and a job well done by all.

Recently I needed him a gable I have tile roof, he checked and was honest Fixed over the garage - Very same procedure, my husband and I are very satisfied customers -

We would highly recommend him -

Sincerely

Ros. / Fred Kuhn
